ENHANCED CLEANING IN ALL AREAS

Additional cleaning practises have been put in place across the Cinema.

HAND SANITISER STATIONS

Hand sanitiser stations will be available for both customers and staff throughout the Cinema.

MONITORING CAPACITIES AT ALL TIMES

Our teams will be monitoring capacities. There may be times when customers are asked to wait outside - we appreciate your understanding and patience.

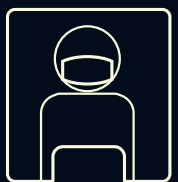

MORE TIME BETWEEN SCREENINGS

Staggered show times will allow more time between screenings to reduce the build up of crowds and to allow enhanced cleaning in the auditoria between shows.

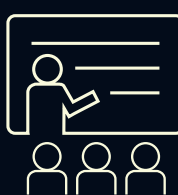

SOCIALLY DISTANCED SEATING

Our booking system has been updated to ensure social distancing is in place whilst at the same time allowing you to sit within your social bubbles.

PROTECTIVE SCREENS & PPE IN USE

You will notice the addition of plastic screens at till points and PPE in use where social distancing is unable to be maintained.

STAFF COVID-19 TRAINING

Our employees will receive specific COVID-19 training and the use of PPE equipment as identified in our risk assessments and in accordance with published Government guidelines.

We ask that should you or any member of your Household/Bubble be showing any symptoms of COVID-19 to please stay at home.

IT IS NOW MANDATORY TO WEAR A FACE COVERING IN CINEMAS.

Face coverings may be removed to eat and drink.

Thank you for your understanding and helping us to HELP YOU STAY SAFE.

We also ask for your understanding as we familiarise ourselves in delivering these new measures.
